

The Billys

We are a growing community of country and city friends and neighbors, mostly gay men.

We tend not to be "mainstream" and include a diverse range of ages, body types, ethnic backgrounds, occupations and interests. We march in pride. We get involved. We love each other. Lots of us would claim to be "spiritually oriented".

Mostly, we enjoy each other's company, and the things we cook up when we bring our energy and talents together.

The Billy Foundation and the Billys

We are a heart-centered community woven together by our shared values and our experience as gay, bi, and queer men. We strive to be present and mindful with each other and ourselves.

Billys

An Invitation to
Heart-centered Brotherhood

Billy Gatherings

The Billys produce six gatherings each year to promote community, intimacy, and personal exploration among gay men through shared values and heart-centered brotherhood.

What is said about Billy Gatherings

"The Billy gathering was probably one of the most significantly positive things that has happened to me in recent times. It was an amazing experience and my only regret is that we didn't come earlier in the weekend."...M.E.

"Thank you for your shares -- I was very moved and touched by your pains and joys -- for letting me listen to your stories, and for listening to mine. And for encouraging me in so many ways....I really do feel uplifted by your supportive brotherhood. I will definitely be back." ..Eric aka Cinnamon

"All I can say is that I am incredibly humbled by the amount of compassion, understanding, love and concern that came my way over the weekend and that I was overwhelmed by the experience and am hungry to return to as many gatherings as I am able." ...D.V.
